## Monday Night Social Club

We have been running a social club in Croydon for more than 50 years. Originally it was set up by parents and volunteers but eventually Croydon Mencap was asked to step in and take over the running of the club and we now have on average 150 members.

The Monday Night Social Club Team aims to provide activities and entertainment in a safe environment, with help from a wonderful group of regular volunteers.

## Monday Night Club Ethos

Equal Opportunity is the heart of the club. Our members have a wide range of special needs and are from many different cultures and social backgrounds. We will try our best to create a social club where everyone is treated equally when it comes to providing a safe, fun and entertaining social club.

Equal opportunity also means to us that we acknowledge and respect each others' differences too. Therefore we will try our best to provide a range of activities to meet members' interests, social, emotional and disability needs.

## Croydon Mencap is a registered charity

We run a non profit club. Therefore it is important that all members and visitors pay their subscriptions: **£3:50** each Monday that they attend. (Carers and Support Workers free).
